

National Account Program

LOCAL REACH. NATIONAL PRESENCE.

If your company has multiple locations and you want to simplify your technology systems and support throughout your organization, you can rely on TeamLogic IT. Here are some key benefits of our National Account Program:

- More than 280 TeamLogic IT locations across North America
- Consistency of service and expertise throughout all locations
- Experienced technical staff with multiple skill levels and certifications
- One point of contact simplifies service and delivery activities for all your locations
- Reputation for a high level of customer service excellence
- Technology planning and deployment
- Vendor management
- IT expertise and leadership

PARTNER WITH A LEADER IN MANAGED IT SERVICES

TeamLogic IT is a national provider of technology solutions for companies of all sizes. We have been ranked a top managed services provider by key business and industry sources.

MANAGED IT SERVICES

With a focus on proactive IT, preventative IT and responsive IT, our managed IT services include:

Strategic Guidance and Consulting:

- Unmatched IT service, support, project consultation and implementation, as well as account management for your business
- Review, evaluate and recommend appropriate technologies
- Procure equipment and configure and install new systems

Skilled Engineers and Technicians: Expertise in diverse technologies to serve your current and future needs with local onsite assistance.

Help Desk: Capable, experienced North American-based IT advisors staffed to assist you 24/7, 365 days a year.

Network Operations Center (NOC): 24/7 remote monitoring system detects and resolves problems, installs latest updates and deploys onsite technician support.

Move forward with **The Color of Confidence**®
